PACC Meeting Minutes

October 14th, 2010

L.H.S. Room 228

Members Present: Martha Cheesman, Rhonda Lisio, Fred Crellin

The meeting was called to order at 7:01

Minutes from the PACC meeting held on September 13th were read and approved.

Minutes from the PACC meeting held on October 7th were read and approved.

Candidates for the position of Public Access TV Coordinator were interviewed in the following order:

Timothy Daoust 7:15

John Gugarty 7:45

Jason Kearns 8:15

Jo McLaughlin 8:45

Following each interview, there was a brief discussion of the candidate. Following the final interview, general impressions were shared. There was a consensus that (1) we were pleased with the quality of our candidates, and that (2) while each of the candidates demonstrated both strengths and weaknesses, two candidates stood out as being of particular interest and (3) that each of us independently had concluded that the ideal scenario would have the position shared by the two of them.

New Business: It was decided that Martha would investigate the possibility and cost of splitting the position into an administrative coordinator (10 hours) and a production coordinator (15 hours). It was decided that Fred and Rhonda would generate some ideas on tentative job descriptions for the split positions as a starting point for discussion by PACC at our next meeting.

The meeting was adjourned at 9:30.
